

WES Registered Horses

This list has been compiled from the WES Points Database as at June 2010.
Please use the Registration Numbers listed against your horse(s) on all Show Entry Forms.

It is not necessary to register any horses you are not showing. If you do not have a registration number before you show then the Show Secretary will issue you a temporary number. Your horse's permanent number will then appear on this list when it is periodically renewed.

If you are aware of any amendments that need making to any of the details listed, then please email lynne.m.stanley@btinternet.com or write to - Lynne Stanley WES Show Co-Ordinator, Southwood House, Pudford Lane, Shelsley Beauchamp, Worcestershire. WR6 6QL identifying the changes to be made.
