

WES Position on UKCC Instructors wishing to apply for WES Approval

The Western Equestrian Society recognises the UKCC Level 2 coaching certificate as a qualification towards gaining approval for inclusion on the Society's Approved List of Instructors at Level 2.

In order to become a WES approved instructor a UKCC coach must:-

- 1) Be a full member of the Western Equestrian Society
- 2) Have undergone and passed the UKCC Western Assessment Level 2 or above.
- 3) Pay an application fee of £25
- 4) Have undertaken and passed a Western Equestrian Society Rulebook Test

Upon application the Instructor will be required to comply with all rules of the Western Equestrian Society relating to membership of the Approved list including maintaining Society membership and providing proof of insurance on an annual basis.

Links to the higher levels of the WES Instructor syllabus will be determined by the Instructors Committee once details of the UKCC syllabus have been published.

Instructors following the UKCC Generic route will follow the usual route to becoming a WES Instructor in taking the WES Instructors Assessment and showing compliance with the WES Syllabus and procedures and paying the WES application fees.
